

Certificate

Payment Application Data Security Standard

more security. **usd**

We herewith confirm that

Diebold Nixdorf, Inc.

Heinz-Nixdorf-Ring 1
33106 Paderborn
Germany

has successfully verified compliance with the Payment Application Data Security Standard (PA-DSS) Version 3.2.

The following software has been validated against PCI PA-DSS:

Software / Name	Version	Date of Certification	Expiry Date
ProCash/NDC-DDC	3.1/2x	12/19/2018	10/28/2022

This confirmation applies exclusively for items that were subject to the assessment. The company shall pledge to use this certificate and the provided seal only during the above-indicated period of validity.
